Ingredients:

Pizza:

- 1 package Dr. Oetker Pizzaiolo Kits
- 0.75 cup shredded mozzarella cheese
- 0.75 cup cheddar cheese
- 2 oz pepperoni slices , large

- 1 Prepare pizza crust according to package directions.
- 2 Divide dough into 2 portions. On lightly floured work surface, roll out each portion into rectangle shape, about 1/4-inch (5 mm) thick.
- 3 Using sharp paring knife or kitchen shears, cut 1 large triangular spike in the top centre of rectangle and 2 smaller triangular spikes on either side to resemble crown shape. Trim sides, so they narrow at the base. Using remaining pizza dough, roll into three 1/2-inch (1 cm) balls. Press balls into top of each spike to resemble jewels. Repeat with remaining rectangle.
- 4 Transfer each pizza crown to greased baking sheet. Spread pizza sauce over crust in circular motion to edges. Sprinkle with mozzarella and Cheddar.
- 5 Fold pepperoni slices in half; cut each slice into half-heart shape to make perfect hearts. Cut out different sizes of hearts as desired. Decorate pizza crowns with pepperoni hearts.
- 6 Bake according to package directions. Let cool for 5 minutes before serving.
