

# Rocket Pudding Pops

A summer treat that the kids can make! You don't even need a popsicle mold for these Rocket Pudding Pops

8 servings    Easy  up to 10 Min.

- 1 Prepare pudding according to package. Let pudding stand to thicken.
- 2 Separate pudding into 3 bowls, leave one bowl white, and add a few drops of red food coloring to one bowl and a few drops of blue food coloring to the other.
- 3 Layer each colour into a small Dixie cup, starting with the blue, followed by the white and then the red. Cover with tin foil and insert popsicle stick. Chill in the freezer until completely set.
- 4 To eat, peel off the Dixie cup paper and enjoy.
